PROFILE

Tatenda Mahachi is an award winning Zimbabwean male Gospel artist. He is an innovative singer and song writer, whose message of good news is drawn from real experiences. His music is a unique blend of the country's traditional beats, afro beats and jazz. The young gospel artist has performed with Mega Praise, a Zimbabwean "super group" comprising artists from various church denominations and musical backgrounds. The gospel artist has had the privilege of performing alongside a multitude of established artists hailing from diverse musical backgrounds.

Tatenda has also made history as the first Zimbabwean Gospel artist to perform in South Africa alongside South African artists for a predominantly South African audience. His new video Usacheme made history becoming the first ever Zimbabwe artist to be played on the World largest religious TV station TBN Trinity Broadcasting Network. The video is currently enjoying airplay on other top TV stations like One Gospel, SABC, Zambezi Magic etc. The first Zimbabwean gospel artist with songs playing at the biggest station in Africa SABC's Ukhozi FM.

In addition to regular performances on various platforms, Tatenda is also actively involved in a number of humanitarian projects.
